

# Training Requirements

## Certification Training Requirements

1. Register as an Eco-Partner.
  - a. If you are not registered yet as an Eco-Partner, please do so following the link below:  
[Eco-Partner Application](#)
  - b. After you register, we will send you the login information.
  - c. Login to your Eco-Partner portal and apply for a Demo/Showroom/NFR License.
  - d. We will send you the NFR license after we have received the request.
2. Download [PaperCutMF](#) and save it on the primary server desktop.
3. Please schedule 2 remote training sessions as described below before your NFR license expires. Send email to [sales@ecoprintq.com](mailto:sales@ecoprintq.com) with the tentative dates/times for the training.
  - a. 2 Technical sessions (2 hours each).
4. Create a functional test environment on your network for training purposes including at minimum:
  - a. A PaperCut server.
  - b. A PC Client.
  - c. A multifunctional device.
5. Take the PaperCutMF online tests (Technical and Sales) available in the PaperCutMF Reseller Resource Center.
  - a. Login using your Eco-Partner/PaperCutMF username and password.
  - b. Enter your full name.
  - c. Choose the corresponding test.
  - d. In order to obtain the PaperCutMF certification you must pass the tests with a 90% or higher score.
6. PaperCutMF Certificate.
  - a. If you pass both tests, you will receive an Authorized Reseller Certificate from PaperCutMF and a Certification Letter from EcoprintQ.
  - b. We will send you a PaperCutMF Certified Professional logo which is required to be posted in your website.
